

PRE-EVENT INFORMATION FOR BIKING CAVALCADERS

GEAR LIST

- A bike! (We can source rentals if required). It must have a wheel size of 26inch or larger, and have had a recent service. We do carry spares, and have the ability to carry out most trail side repairs, but bleeding hydraulic brakes or repairing cracked frames in a bit too much.
- We have a beautiful constant sine wave generator to keep your precious
- E-bike charged and ready to go.
- Also bring spare tubes/repair kit.
- CLOTHING: Helmet, gloves – cycle gloves and a warm pair of gloves. Warm hat or Buff that can be worn under your helmet, Various layers of clothing – thermal underwear (legs and tops) t-shirts, fleece/Merino mid weight tops, SEAM SEALED waterproof jacket.
- Toiletries.
- Your own plate/cutlery/mug.
- Sleeping bag and mat.
- Tent: Tent's will be required on most nights and so that the back-up crew don't need to carry too many tents we will be encouraging sharing! So if you are coming with a friend one between two or three will be fine. If you are stuck we can source an extra tent or two.
- One large pack per person and your sleeping matt/bag will be transferred for you each day. You will need to ride with a decent day-pack that can carry 1L of water, snacks, jacket, emergency blanket.
- Oh and don't forget your dress-ups for the parade! Items of 'period' costume to be brought and left in your car to be changed into before the grand parade at 12pm on the Saturday.
